This is bad...
Our harvest this year
is poor and we
don't have
enough in
offerings.

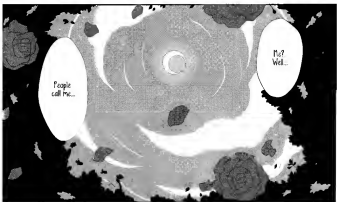

But the
tradition!
If we don't
follow it,
who knows
what might
happen!

We
even have
a suitable
candidate
already,
don't we?
We'll
offer this
homeless
girl.

Then we'll
just have
to offer
something in
lieu of the
crops.

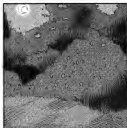

...a vampire.

Tina

Come with me for a ball

chink

Oh my, it's been a while...

We'll have our tea outside today

Um, yeah?

The thought of all these white roses blooming in the garden makes me so excited!

White...?

But look! The flowers look like they're about to bloom!

I've for five whole years they haven't even bloomed once until now

A long time ago,
I was in love with somebody.

If a vampire sucks the blood of a human, the human will become a vampire as well.

She said that, she wanted to become a vampire.

She said that, she wanted to live with me forever.

However, the probability of success is very low.

I killed her.

In the end, I failed.

And yet, ever
since her death,
I haven't been
able to bring
myself to
drink blood.

Funny
aren't it?
I've killed so
many humans.
They were
nothing more
than food
to me.

Ever
since that
day, I've been
repulsed by
blood.

You can
live on without
depending on
me now. Besides,
I've lived long
enough already.

So is that
why you're
going to die?
Is that why
you're going to
leave me behind?
I worked hard
to nurture the
roses for you,
and yet...

No!!
I don't care!
I don't want
you to go
away!!

Make me
a vampire.

Please...

What
are you
saying...?

You're a
human, you
should live in
your own time.

But
that's our
only hope.

You'll live
if you drink
my blood,
and we can
be together
too.

No,
I can't
do that...

Without you,
Veronica,
time may as
well stand
still.

**BUT
it COULD
fail again.
COULDN'T IT?!**

Then the
answer is
decided,
isn't it?

I do
I really
do, but

Veronica,
don't you
want to be
with me?

It's fine
with it.

No matter
what the
outcome,
I'll accept it.

bloom

You won't
regret this?

I'm
really happy
right now.

I told
you earlier,
didn't I?

From
now on,
we'll be
together
forever.

It's
going
to be
all
right.

Don't
worry.

[Scarlet Flower]

However ineptly, I drew this manga.
I've always admired the vampire
motif. A challenge I'd like to revisit.
